CHANDIGARH TRANSPORT UNDERTAKING

NOTICE INVITING EXPRESSION OF INTEREST

In order to adapt latest technology for the clean fuel to achieve the objective of promotion of Green Fuel Energy, Chandigarh Transport Undertaking is contemplating to introduce Electric Buses (along with related Infrastructure) in Chandigarh for Local Operations. CTU invites Expression of Interest from the Interested Manufacturer's/Supplier companies to express their interest to work upon Designing and Providing an Electric Bus solution for the city of Chandigarh. Initially it shall be taken up as pilot on one or two of its routes with a fleet of 8-10 buses. The interested manufacturers/suppliers may send their proposals along with their credentials in the field of implementation of Electric bus system in Abroad/India. For further details interested manufacturer's/companies may refer CTU website http://chdctu.gov.in

The last date of submission of "Expression of Interest" is 23.01.2017 upto 14.00 hours. The application alongwith documents may be sent to the following address :
