Chandigarh

At the outset, DSP/Traffic (R&D) welcomed all the members in the 20th meeting of District Road Safety Committee. Thereafter, action taken on the agenda

current status report by concerned departments was given as under:-

S. No.	Point	Action Taken
1.	Issues of construction of Table-Tops at Black Spots which have been constructed so far and yet to be constructed and deviations from IRC Code 103. - Sector 25/38 Light Point	The representative of the Chief Engineer, UT, informed that a table-top has been provided at two sides of the Sector 25/38 Light Point. The remaining work will be completed by 15.10.2025 after the monsoon season. The Chairman directed the representative of CE/UT to complete the work and submit the Action Taken Report (ATR) in the next meeting. **(Action by CE/UT)**
2.	Providing of yellow road marking in the middle of the road on Vigyan Path at the road dividing of Sector 5/8 alongwith required road signages to avoid overtaking.	Considering the shortage of funds with MCC, the committee decided that the matter may be referred to Worthy Chief Secretary, UT, on file for approval, so that the work can be initiated by the Chief Engineer, UT, as a one-time measure. After discussion, it was decided that DC Office will pursue this matter with W/CS/UT. Therefore, this point may be **deferred.**
3.	SSP/Traffic pointed out that there is a faded road marking in the city which needs to be completed on priority. The Chairman asked DSP/Tr. (Admn) to conduct a fresh survey in this regard and sent the same to concerned engineering department for further necessary action.	Considering the shortage of funds with MCC, the committee decided that the matter may be referred to Worthy Chief Secretary, UT, on file for approval, so that the work can be initiated by the Chief Engineer, UT, as a one-time measure. After discussion, it was decided that DC Office will pursue this matter with W/CS/UT. Therefore, this point may be **deferred.**
4.	Road furniture and engineering measures including pruning of trees on the dividing road of Sector 14/25 towards Sector 25/38 light point.	DSP/Tr. R&D informed that Chandigarh Traffic Police has conducted a survey which revealed that pruning of trees are required to be undertaken from Sector 14/25 Light Point towards Sector 25/38 Light Point. Additionally, no engineering works have yet to be initiated by the concerned department in this road stretch. The Chairman asked the representative of

		CE/UT and CE/MCC to expedite the work and apprise the ATR in the next meeting. **(Action by CE/MCC & CE/UT)**
5.	Removal of wine shop from Dhanas Light Point due to non availability of parking space.	DC/UT apprised that letter regarding removal of wine shop from Dhanas Light Point has been sent to the Excise & Taxation Department by DC Office. Vide DC/MA-IV/2025/17889 dated 12.8.2025. After deliberations, it was decided to **drop** this point.
6.	Implementation of "No Honking zones" in the city:- i. Sector 22, around Civil Hospital ii. Civil Hospital, Mani Majra iii. Civil Dispensary, Sector 19 iv. V-6 Road, Sector 32-B adjoining GMCH-32 v. MCM College, Sector 36 vi. Post Graduate Government Girls College, Sector 42	The representative of CE/MCC informed that the work will be completed at two locations and the remaining will be completed within 10 days. The Chairman asked CE/MCC to expedite the work and apprise the Action Taken Report (ATR) in the next meeting. **(Action by CE/MCC)**
7.	Repair/replacement of defective traffic signages in the city.	The representative of CE/UT informed that approx. 232 Nos. of signboards as per IRC 67 has been provided in the last one year. The representative of CE/MCC informed that that a meeting was held on 14.08.2025 under the Chairmanship of CE/MCC which revealed that 3M Company has conducted a survey which needs to be verified by the concerned SDEs so that consolidated estimate can be provided. The Chairman asked the representative of CE/UT and CE/MCC to establish specific timelines for the replacement and installation of road signages in accordance with the prescribed standards and apprise the ATR in the next meeting. **(Action by CE/UT & CE/MCC)**
8.	Issue regarding grill in median, cycle track, encroachment, illegal parking at Sector 29/30 Light Point.	SDM/East informed that that notices have been issued to the owners whose house doors open directly onto the road. The Chairman asked the SDM/East to conduct special drive against the owners and further decided that a joint site visit of the area in

		9:30 AM. CE/UT pointed out that drawings are awaited from CA/UT regarding construction of cycle track and installation of iron grills on the diving road of Sector 29/30 Light Point. After discussion, it was decided, the direction has been issued to the CA/UT to issue necessary drawings in this regard. Further, direction has also issued to the CE/UT to initiate necessary process regarding tender process by 15.10.2025. **(Action by CA/UT, CE/MCC & CE/UT)**
9.	Speed calming measures at the d/road Sector 9/10 on Jan Marg.	The representative of CE/UT informed that the work will be executed after monsoon season. **(Action by CE/UT)**
10.	Illegal operation of taxi stand beside Novotel Hotel, adjoining Tribune Chowk causing inconvenience to the road users.	The representative of CE/UT informed that guard grills have been provided at the site in question. DSP/Traffic (R&D) informed that Chandigarh Traffic Police is taking necessary action in this regard. Additionally, traffic police officials have been deployed near Novotel Hotel to prevent wrong parking. After discussion, it was decided that Traffic Police will provide photographs in this regard so that this point can be dropped. **(Action by DSP/Tr. East)**
11.	Speed Calming measures on the road between Sector 2 and 11 on Vigyan Path to reduce road accidents.	The representative of CE/UT informed that the work will be executed after monsoon season. SSP/Traffic pointed that cobble stones may be provided as a speed-calming measure at this location. The Chairman directed the representative of CE/MCC to examine this suggestion and apprise the Action Taken Report (ATR) in the next meeting. **(Action by CE/MCC)**
12.	Providing cut in median for traffic management in front of Chandigarh Railway Station	CA/UT informed that Railway Authority informed that there is no requirement for cut in the median of the road in front of railway

	road.	station as the proposal has been revised. After discussion, it was decided to **drop** this point.
13.	Back-up of Automatic Traffic Control Signal Lights (ATC) at all traffic junctions in the city for the convenience of the general public.	The representative of CE/UT informed that the work has been completed. Therefore, it was decided to **drop** this point.
14.	Provision of ATC signals at T-point of Sector 48 near Motor Market on Purv Marg, Kajheri Chowk and Furniture Market Chowk.	The representative from CE/UT informed that the work has been completed at Furniture Market Chowk and is under progress at Kajheri Chowk and T-Point of Sector 48 near Motor Market and will be completed at the earliest. After discussion, it was decided to **drop** this point.
15.	Installation of ATC Signal (Light Point) at intersection on Khuda Lahora/ Khuda Jassu Bridge and closing of the central median cut on the road leading towards village Khudda Lahora/KhuddaJassu.	The representative from CE/UT informed that the work will be undertaken after monsoon season and will be completed by October, 2025. SDM/Central informed that Show Cause Notices have been issued to the owner and occupiers of various shopkeepers. After providing due opportunity, the site will be demolished within a month. After discussion, it was decided that DC/UT along with SDM/Central will carried out a joint site visit on 19.9.2025. The Chairman asked the SDM/Central to conduct special drive against such occupiers and also asked the representative of CE/UT to expedite the same and apprise the Action Taken Report (ATR) in the next meeting. **(Action by CE/UT & SDM/Central)**
16.	Installation of blinker lights on road entry/exit points merging with V-3, V-4 and V-5 roads in the city.	DSP/Traffic (R&D) apprised that the Chandigarh Traffic Police has conducted a survey which revealed that blinker lights are required at 60 locations (list annexed). The Chairman asked the representative of CE/UT to prepare estimate in this regard and do the needful and apprise the ATR in the next meeting. **(Action by CE/UT)**

	pointed out the matter regarding defective blinkers in the area of Sector 34 which were sponsored by Chandigarh Housing Board.	point.
18.	Repair/replacement of battery of blinkers at the roundabouts for clear visibility during night hours.	After discussion, it was decided to **drop** this point.
19.	Provision of timer for cyclists/pedestrian signal lights and signal of U-turn at all the traffic signal lights in the city.	DSP/Traffic (R&D) informed that Chandigarh Traffic Police has conducted a survey which revealed that the timer for cyclists/pedestrians are required at the following locations:- 1. Piccadilly chowk, 2. Kissan Bhawan Chowk 3. Badheri Chowk (Vikas Marg). 4. Gurudwara Chowk (Sec.20/30/32/33). 5. Dhanas Light Point 6. Sarangpur Light Point The representative of CE/UT shown a rough sketch of GMCH Sector 16 Chowk and Sector 36/37-41/42 and apprised that there are some technical issues in this regard. After discussion, it was decided to **defer** this point.
20.	Installation of Pedestrian Pelican Lights at important vulnerable locations/junctions in the city.	DSP/Traffic (R&D) informed that Chandigarh Traffic Police has conducted a survey which revealed that the pedestrian pelican lights are required to be installed at the following locations:- 1. Near GMCH-32 hospital (on Sec.30/32 dividing road). 2. Khuda Lohra (Madhya Marg). 3. Sec- 14/15 PU (Gate No. 03). 4. PU PGI Road Near PGI PU Main Gate (Madhya Marg). 5. On Madhya Marg Near Bus Stop Grain Market Sector-26. 6. Sector- 26 & 27 Polytechnic College Road.

		The Chairman asked the representative of CE/UT to expedite the same and apprise the ATR in the next meeting. **(Action by CE/UT)**
21.	Replacement of defective blinkers in the city due to the end of their operational lifespan.	The work has been completed. It was decided to **drop** this point.
22.	Provision of medians on sectors V-5 roads entry/exit from V-4 road on priority basis.	The representative of CE/MCC informed that most of the work has been completed. After discussion, it was decided to **drop** this point.
23.	Road engineering works are required at narrow bridge on Udyog Path, road dividing sectors 16 & 23. Apart from the above, concrete wall is also damaged and no cautionary signs are available.	The representative of CE/MCC informed that the work regarding installation of required signboards will be completed at the earliest. The Chairperson directed the representative of CE/MCC to install the required signboards before the next meeting. **(Action by CE/MCC)**
24.	Issue regarding low kerbs along roads, which enable vehicles to be parked on the roadside, thereby obstructing the flow of traffic. i. Bus Stand Sector 17 Chowk to ITI Light Point ii. New Labour Chowk and AP Chowk iii. Ziri Mandi Chowk towards Palsora Barrier including around Palsora Barrier iv. Sector 17 ISBT Chowk in front of Sun Beam Hotel v. Sector 23, where the roadside berm has been merged with the road and needs to be elevated to define the road width.	The representative of CE/MCC informed that tender has been received and the work will be started within 20 days. The representative of NHAI informed that regarding point No. iii, the work will be started in the Month of September, 2025. The Chairman asked the representative of NHAI and CE/MCC to expedite the work and apprise the ATR in the next meeting. **(Action by NHAI & CE/MCC)**
25.	Road connectivity for exit only near Gate No 6 (High Court premises) towards Kansal road rear side of Pb. & Hr. High Court.	After discussions, it was decided to **drop** this point.
